

Reusable exhibition stands

The portable solution for premium exhibition stands

Exhibition stands that are Portable, Scalable and Reusable

Are you planning to participate in an exhibition or conference soon? Do you think you need a long-term solution for your exhibitions and other professional appearances?

Expo Prestige, the most effective portable exhibition solution, certainly fits the bill. A lot of exhibitors these days look for exhibition stands that are not only custom-designed but are also modular, scalable and reusable.

Expo Prestige has everything you are looking for in your ideal stand.

**Flexible and
modular**

Design, assemble or
configure your stand in
multiple combinations.

**Quick and easy
to set up**

Requires less human
resources and
staff-hours.

**Spend more
time exhibiting**

Spend your precious
time on presentations,
and client meetings.

**Easy, Reusable
packaging**

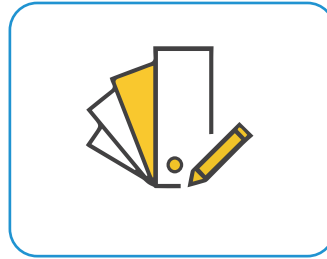

Reusable packaging,
which includes
compact trolleys,
cases and bags.

How do modules build a booth?

Reconfigure + Reuse = High ROI

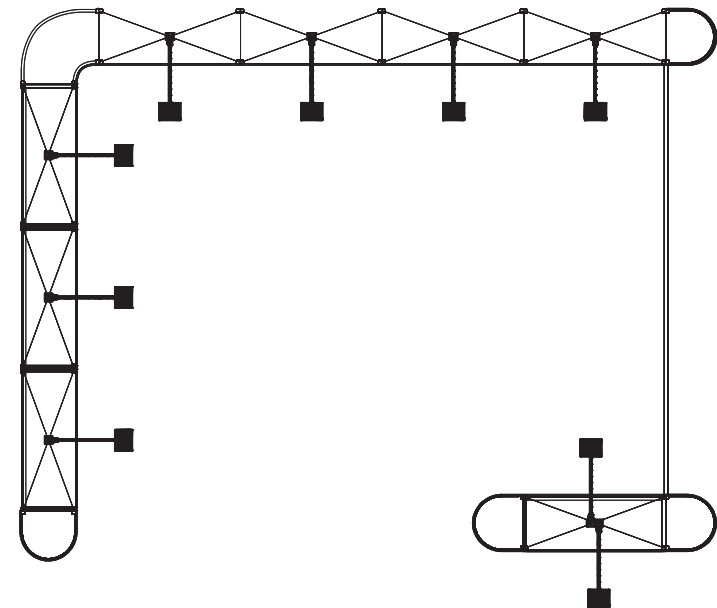

One kit, multiple solutions

6m² Stand extended to 30m²

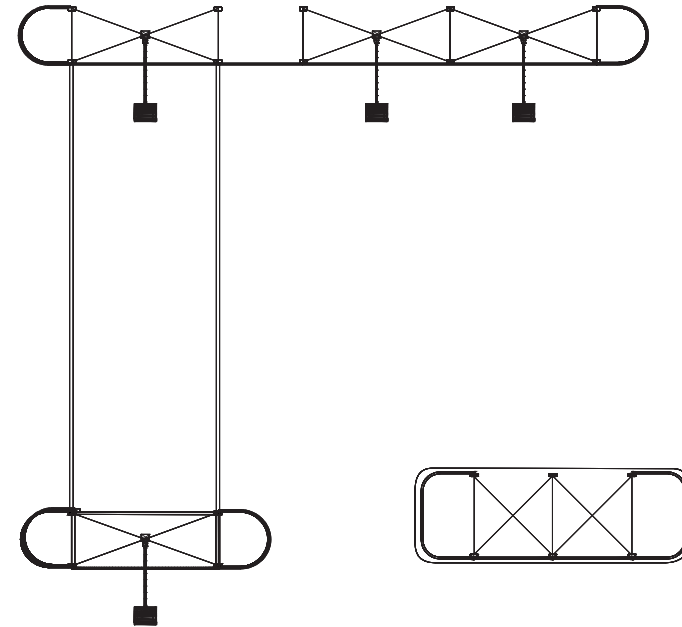

Whether you want a small row-stand or a larger corner-stand, Expo Prestige offers you limitless possibilities to compose your perfect exhibition stand.

Cost-saving, time-saving, and a professional look.

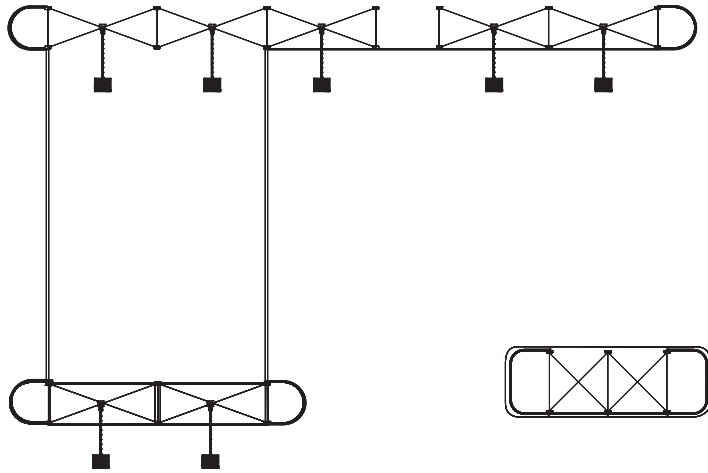

12m² Stand Sample

In cooperation with you we assemble a fair-kit that allows you to create your own professional stand, row-stand, corner-stand, or head-stand for various floor surfaces for years to come. An attractive stand that is flexibly arranged and easily adjusted to the situation of the moment. When the fair is over you simply store your stand in the accompanying wheeled cases. Ready for the next fair!

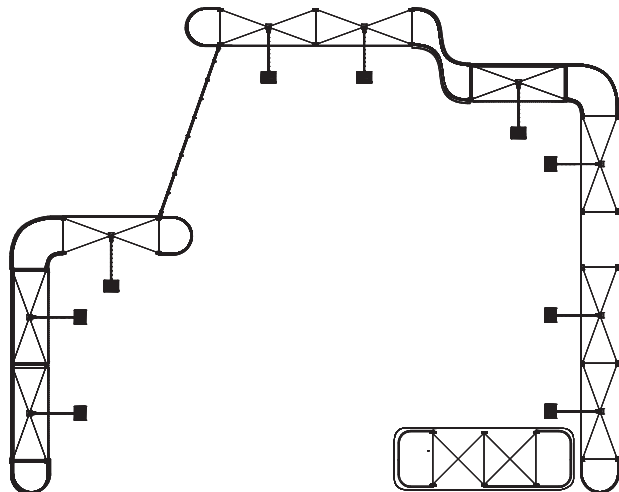

12m² Stand extended to 20m²

15m²

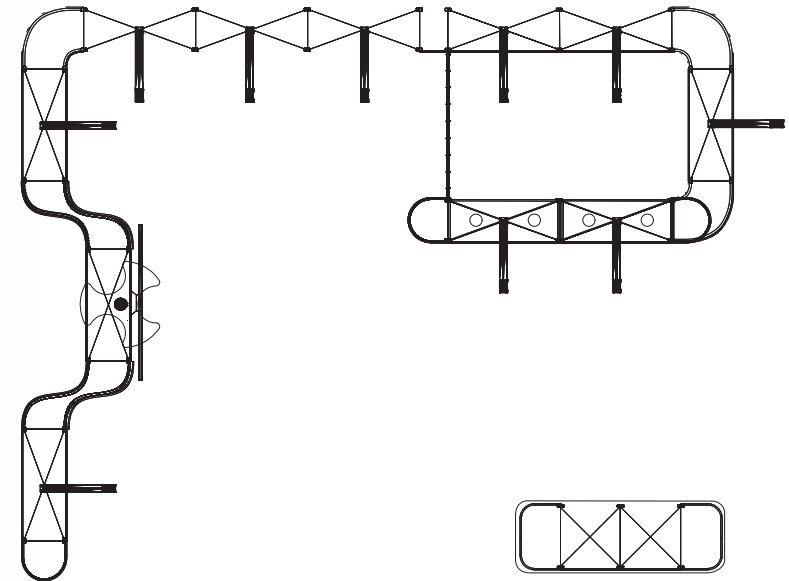

20m²

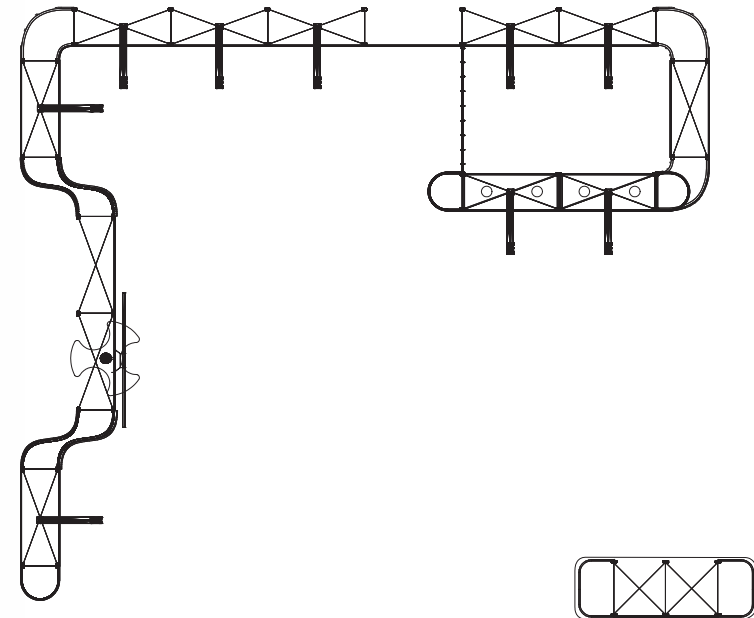

20m² Stand Sample

Row-stands, corner-stands, head-stands, or aisle-stands, can be arranged perfectly with Expo Prestige and offer you limitless possibilities to create time and again an eye-catching and effective stand with maximum exposure. Durable, reusable, cost-saving, capable of increasing or decreasing in size due to its modular structure. Expo Prestige draws the attention your product or company deserves.

20m² Stand extended to 30m²

Quality and Service Support

100% Pre-Build Guarantee

Your stand will be pre-built at one of our pre-building facilities in Mumbai or Gurgaon for quality assurance.

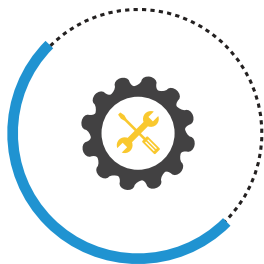

We will send you the pictures so that you get a preview of your stand well in advance.

Set up Tutorials

You can watch our online video tutorials which contain stepwise instructions on how to install and dismantle your self-build exhibition stand.

We also create free of cost set up instructions for every design on request.

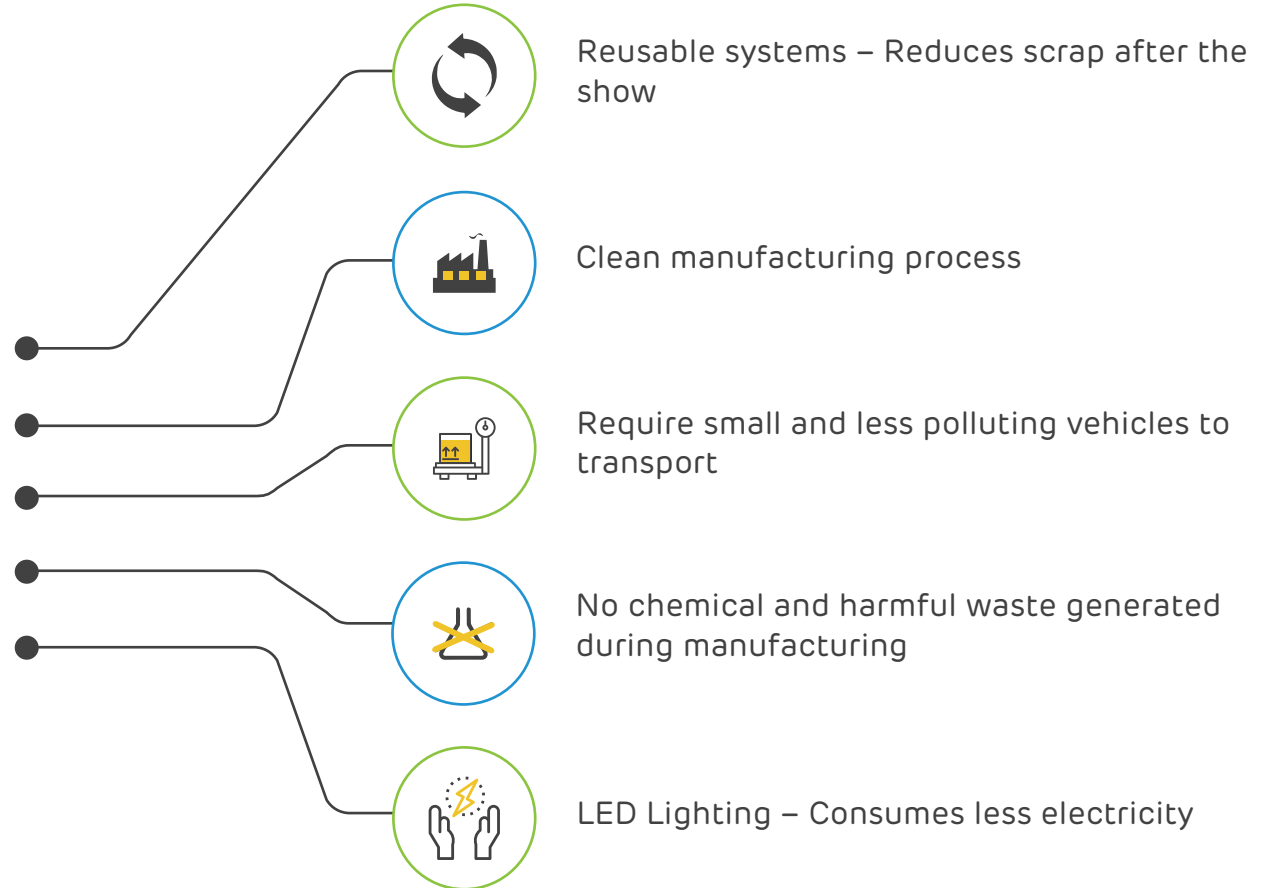

After-sales service

In case any part of your Expo Prestige system stops working or gets worn out, we are just a call away to replace that part for you.

Lifetime free Designs

Contact us to create a new design from your existing kit with new configuration and accessories. We are happy to offer this for free lifetime with no obligations.
