Campus Recruitment Program

Organised & Monitored by
Dept. of External Programs (DEEPRO)
Corporate Resource Centre

www.quantum.edu.in

ideserve@quantumeducation.in

“ Quantum Global Campus is located at Roorkee, the Mecca of higher education in India in the picturesque state of Uttarakhand. Roorkee is a quiet, scenic town located along the Ganga canal. Given its long history of higher education, it offers a rich pool of highly qualified faculty. This gives Quantum a great edge to begin with.

Excellence has always been achieved by those who dare to believe that something inside them is superior to circumstances.

Q-mates are raring to go and make their mark on the scene. They are competent and confident individuals who shall prove an asset to the organization they work for. ”

GREAT EMPHASIS ON TRAINING

Quantum is committed to ensure that all its students have a strong core competence in their respective domains and are industry-ready at the time of passing out. To ensure this, Quantum imparts rigorous technical trainings in different streams from 2nd year onwards besides the mandatory summer internship and project work. These trainings are of great relevance to the industry. Due emphasis is also laid on soft skills of the students.

A VIEW FROM THE TOP

Testimonials by Visitors at Quantum

It is impressive to see Quantum adopt so early global practices in all areas of teaching, selection of students & faculties, and other areas of teaching-learning process. I am sure, Quantum will join the ivy league colleges of our country very soon.

Mr Viraj Kalra Independent Strategic Consultant and Ex-CEO, Planman MARCOM

Interacting with CS & IT student at Quantum was a great experience for me. I was impressed with their domain knowledge and their bubbling enthusiasm. Quantum students have the zest to learn new technology and have quickly adopted ideas and developed innovative solutions. Good wishes.

Mr Himmat Singh Director Technology, Ballistic Learning

It is not only the in-take process, but also the complete orientation program that makes Quantum students become smart and active. I wish them all the best for their future endeavors.

Mr Sanjay Dixit Director, Business Development, AIMA

Really impressed by the vision & mission of the institute.

Prof (Dr) S C Saxena Ex-Director IIT Roorkee

Good students with great communication skills.

Mr Neville Patel CEO Liaison, Global Step Service (P) Ltd

Fantastic! Keep it up.

Prof Pradipta Banerji Director IIT Roorkee

Excellent ambience to nurture the young mind and is a superb place for the young saplings to bloom fully.

Mr V Pandhi Executive Director, BHEL Haridwar

Wonderful students and good hospitality I would love to come back for campus recruitments.

Mr Rahul Mishra VP Marketing, Data 64 Techno Solutions (P) Ltd

One, for the interactive energy of the children and Two, the quality of leadership. The teacher in me is rejuvenated.

Mr Arun Sanghal Co-Founder, Leap Quality Education Practices

I enjoyed my visit to Quantum and interaction with students was very good

Mr Madan Lal Renowned Cricketer of Indian Cricket Team

I felt great meeting students and staff of this institute.

Mr Manoj Kumar Commonwealth Boxing Gold Medalist

Very good platform for every child, take your own time and grow up into good citizen. Fantastic campus, lots of creativity, good luck & keep it up. Jai Hind !

Mr Satyavrat DGP Uttarakhand

What I witnessed in Quantum students was the spark of enthusiasm and adoption capacity of new learning. It was my pleasure to interact with the dynamic engineers and future leaders. They were very enterprising.

Dr Vishal Talwar

Faculty, London School of Economics, London

Quantum Students have amply demonstrated their leadership qualities as our Academic partners during the recent International Ambassador Meet in Dehradun 2012. I found them very participative and interactive.

Mr Pankaj Gupta

President, Industries Association of Uttarakhand,
Dehradun

I have been teaching for last 20 years in some of the top management colleges across the globe and also spearheaded various MNCs in India. I was pleasantly surprised to see the passion and energy in the students and faculty at Quantum. This is sure to take them and this institution to great heights.

Prof Ramesh Anand

Ex-Marketing Professor, XLRI Jamshedpur

Wow ! Not seen such facilities in entire Uttarakhand.

CONFERENCES & SEMINARS

The dynamics of the educational scenario are constantly throwing up new challenges. New technologies, new management trends and new ideas at work are demolishing established notions and practices like never before. Quantum is conscientious towards this ever evolving canvas and diligently plays its role in generation of new ideas and knowledge and constantly evolving means and mechanisms to transmit updated skills and knowledge to its students. Accordingly, conferences and seminars are a continuum at Quantum.

FACULTY & MANAGEMENT DEVELOPMENT PROGRAMS

Interaction with management gurus and industry experts under Management Development Programs is a regular feature at Quantum. It helps in the evolution and crystallization of new concepts and practices in the corporate world. At the same time, the exposure to MDPs help Quantum students in broadening their understanding, improving their skills and preparing them to face the challenges in entrepreneurial and managerial assignments. The Faculty Development Programs at Quantum not only focus on enhancing functional area expertise, but also on improving one's classroom delivery both as a teacher and trainer; as well as on enhancing abilities for conducting meaningful research. Recent MDPs at Quantum include...

EXPERTISE

Dr Shiv Prasad Kosta

Dr Shiv Prasad Kosta, Former Director of Indian Space Research Organisation (ISRO), contemporary of Dr A P J Abdul Kalam, a scientist and a visionary par excellence, the man behind the launch of the very first two satellites of India, namely Aryabhata & Bhaskar, recently visited Quantum Global Campus as a very special guest & speaker. He enthralled students and faculty with his very spirited presence and an equally motivating address. While briefing students on the elliptical orbits of satellites & rockets, he brought forth with equal ease the relevance of values like team spirit, discipline and nationalism.

DEPARTMENT OF EXTERNAL PROGRAMS (DEEPRO)

The Department of External Programs at Quantum Global Campus is the most dynamic and energetic division, which plays vital role towards corporate relations, training & placement, overall academic development and many allied aspects. Among others, it is entrusted with the conceptualisation and application of the Value Addition Program (VAP) in close coordination with other agencies at Quantum. The Department handpicks some of the most versatile and energetic members, with the competence to operate in the field, from among the faculty and students. It is headed by the Chief Executive - Operations who comes with a lot of corporate and academic experience. The DEEPRO functions through number of committees and clubs to be able to perform the wide range of activities.

Center of Innovation & Entrepreneurship (CIE)

Assimilates innovative ideas generated by students, at Quantum both from engineering and management departments and pursues their active implementation. It also promotes entrepreneurial talent in following ways...

- Entrepreneurship workshops
- Entrepreneurship events in partnership with the industry
- Venture Funding.

Corporate Resource Center (CRC)

This wing, under DEP at Quantum works with the corporate for developing industry-academia relationship. From proposing for campus recruitment to corporate guest lectures or organizing management development program to signing of MOA. All this activities are taken care and handled by the CRC team member. Some major activities of CRC include...

- Training & Placement
- Guest Lectures & Workshops
- Management Development Program
- Corporate Events & MOA.

The training & placement cell of the CRC develops & facilitates opportunities for training & placement of students and is committed to host and organize all the activities to accomplish its mission.

Center of Research & Consulting (C-Rescon)

Quantum actively encourages research & consultancy both among faculty and students. The C-Rescon work closely with various departments and institutions that assign & fund research projects. Its core activity includes...

- Consulting Assignments
- Live Projects
- National Development Planning.

ADDITIONAL CLUBS & COMMITTEES

PAHAL - THE SOCIAL CLUB

A social initiative by Q-mates that is doing commendable work in the nearby villages by way of creating awareness on issues related to health, sanitation, education etc. The enthusiasm of the students for this weekend activity is boundless and adds a third dimension to their learning.

THE SPORTS CLUB

Quantum offers well developed sporting infrastructure to its students. The Sports Club is responsible for organising various tournaments as well as monitoring regular sporting activity. It also ensures regular participation of Q-mates at Inter-collegiate and Inter-state Sports Meets. Huge playgrounds offer the perfect setting for outdoor games like lawn tennis, badminton, basketball, cricket, football among others whilst the Recreation Centre offers indoor games like table tennis, billiards etc.

THE MUSIC CLUB

Music enthusiasts have a great life at the campus - a vibrant music club awaits them! The Quantum Rock Band and individual performers rock the lives of Q-mates semester after semester.
