

# OUR COMPANY

Established in 1935, VKL has been creating food solutions for leading Foodservice companies over the years. We service HoReCa customers in India and also export food solutions across countries. While the first manufacturing unit of VKL was set up in the spice capital of world- Kerala, today we have 4 world-class processing units and Integrated flavor house. We offer range of Food solutions and Kitchen Ingredients for Indian and International Cuisines, ranging from starters to main course to desserts to quick bites and much more and Beverage solutions from Mocktails to Smoothies, Coffee and Tea to Sodas and more. Our team of experienced senior chefs from industry and R&D work together to create solutions to solve unique problems of every kitchen. Our sales team and distributors across India ensures fast and smooth service to every customer. Our team of experienced chefs gives kitchen training, recipes and solutions to customers. With Innovation, Quality, Service and Value as our fundamentals of functioning, we move forward with the vision to be the preferred complete solution provider for our customers.

Kitchen Solutions Since 1935
