COMPANY PROFILE

Ultra Craft Molders Pvt. Ltd. is one of the top manufacturers of plastic Caps, Closure, Automotive Components and Blow Bottles (HDPE, PP and PET) located at Haridwar (Uttarakhand) with state of the art manufacturing setup. As of date we have a campus of Approx. 150000 Sq. Ft. UCMPL is the outcome of the efforts made by M.D. Mr. Ajeet Kumar Jain, with an experience of over 20 years, clear vision and professional approach.

At UMPCL we believe in partnering closely with our customers to ensure that our plastic injection molding engineering projects have successful outcomes.

Our reliable partnership with suppliers around India ensure that we have the right resources on hand to complete our projects on schedule. Using comprehensive Q.C. Equipment & Tools, including ISO 9001:2015 & Kaizen, we scrutinize product quality through the sourcing of raw materials till the final delivery.

From internal communication among our staff to external communication with customers, we believe in complete information sharing as it is critical for creating a high-quality product.

As per our company tag line "Crafts Only Quality" as well as stringent quality control, constant endeavour to improve, prompt service and continuous research and development.

We have over the years associated with MNC organisations like Bisleri, Parle Group, Mother Dairy, Patanjali, Adani Wilmer, Manjushree, Himgangey, Emami, Cargil, Jivo Canola Oil, Ruchi soya, Heinz, VLCC, Vanessa, Theon Pharmaceuticals, Akums, SBL Homeo, AG Industries, Life Long (India) Ltd., VIP Industries Ltd, Sunrise Containers, C&S Electric Ltd., and many more UCMPL has succeeded in establishing its name as one of the leading suppliers of caps and closures.
